

Introduction

Installation

1. Fully charge the Lobi with included USB-C Charger for 2 hours.
2. Gently twist while pulling on the mouthpiece to remove from base.
3. Fill the full quartz atomizer with wax using the included packing tool (Do not overpack, Only apply 0.1gram during each session).
4. Put the mouthpiece back onto the device.

How To Use

1. Power On/Off

Press the power button 5 times quickly to turn on/ off. The indicator light will flash 3 times to indicate that your device is turning on/off.

2. Four Temperature Settings

Press the power button 3 times to cycle through the 4 color coded temperature settings for your device.

The setting color correspondence is indicated on the bottom of the device. Green (450°F), White (500°F), Blue (550°F), Red (600°F)

3. Dual Working Mode

1. Regular mode: Simply hold the power button and inhale to vape. The longer you inhale, the more vapor will be created. The vaping time limit is 15 seconds.
2. Sesh mode: Press the button two times quickly to activate a 15-second continuous heating period. Then simply inhale to vape, without needing to hold the button down.

Removal

Your device's atomizer simply pops off when you need to remove it for cleaning or replacement.

Remove the mouthpiece and twist the atomizer until the three salients are in the three slots, then take it out. The installation is the opposite.

Caution: Do not touch the atomizer until it fully cools down after use.

5. How to Adjust Airflow

The Lobi is equipped with a dial for you to adjust the airflow. Simply twist the dial with your thumb.

6. Charging Instructions

The LED light bars will flash when your device is plugged into the charger. When it is fully charged, the lights will off.

Cleaning

When using for an extended amount of time, the mouthpiece (especially the filter) and the atomizer may become clogged and dirty, which will make inhalation more difficult. We recommend cleaning with an alcohol swab and Q tips. All parts of the mouthpiece is detachable for your easier cleaning. Here are steps to disassemble the mouthpiece into parts.

- ① Remove the glass mouthpiece
- ② Push the filter with included packing tool until the inner part is detached.
- ③ Unsrew the filter from the splash guard

Warranty

Your purchase of the Lobi includes a lifetime warranty on all its parts. Each Lobi is hand tested in our US warehouse before shipping to ensure quality. Be sure to scratch and scan the QR code located on the box of this device to collect rewards and activate your warranty. This lifetime warranty applies to customers within the United States only. Please contact us directly at support@thekindpen.com if you are outside of the US.
