

How to Use

Power on /off: Press the power button 5 times quickly to turn on /off

04

Voltage settings :

The mist 2.0 comes with full range voltage settings from 1.8V to 4.0V. Click +/- buttons to set the voltage. Press the +/- buttons once to add or subtract 0.1V.

05

Vaping Mode

Hold the power button and inhale to vape. The longer you inhale, the more vapor will be created. The vaping time limit is 10 seconds each circle.

06

mist 2.0

User Manual

Introduction

01

Cartridge Installation

Screw your prefilled cartridge on the device. Once well connected, the resistance usually shows 1.0-2.0Ω.

02

Charging

The OLED screen will show "Low Power" when charging is needed. Plug the USB-C charger or iPhone charger into the corresponding charging port. The charging time is about 2 hours. The battery icon will turn solid when it is full.

03

Warranty

Your purchase of mist 2.0 includes a lifetime warranty on all its parts. Each mist 2.0 is hand tested in our US warehouse before shipping to ensure quality. Be sure to scratch and scan the QR code located on the box of this device to collect rewards and activate your warranty. This lifetime warranty applies to customers within the United States only. Please contact us directly at support@thekindpen.com if you are outside of the US.
